Dear Bob & Gene,

I just want to tell you what a pleasant experience it has been having you do the renovating of our home in Worthington. From day one you both listened to us and made every change we requested. With us in Connecticut and the work being accomplished in Florida, we couldn't ask for more.

Our completed home is exactly as we pictured it, we are more than pleased. We feel like we hired good friends that were top professionals to work for us.

Please feel free to show our home or use us as references in the future.

We wish you a Merry Christmas and a happy healthy New Year.

Sincerely,
