Houchin Construction, Inc.
700 Industrial Blvd., Suite 2
Naples, FL 34104-3656

To Whom It May Concern:

I had the pleasure of working with Houchin Construction Inc. on the construction of our facility in San Marcos, Nicaragua. I found them to be competent in all technical aspects of this project. They were also extremely conscientious of the challenges that come with an international project such as this, and remained respectful of regional requirements and cultural traditions at all times.

I would welcome the opportunity to work with them again, and recommend them without reservation.

Sincerely,

Richard M. Hailer
Grants Coordinator
