BOYS & GIRLS CLUB
OF COLLIER COUNTY

Arlene & Jerry F. Nichols
Campus

September 8, 2009

To Whom it May Concern:

I am writing this letter of recommendation on behalf of Houchin Construction. The Boys and Girls Club of Collier County had the opportunity of hiring and working with Houchin for the construction of our new gym on our Naples campus. Not only was the workmanship excellent, but the project was on schedule and within our budget. We have since hired Houchin Construction for other projects and have received the same quality workmanship.

I highly recommend Houchin Construction as a reputable and qualified company whose staff was a pleasure to do business with.

Deryl Patterson
