To Whom It May Concern:

We had the distinct pleasure of working with Houchin Construction Inc. on the expansion and remodel of our existing facility. Everyone who worked on our project was knowledgeable and courteous. All of our questions and concerns were promptly addressed. We stayed open during construction, and the team at Houchin made sure that our business was able to continue to operate with minimal disruption. They are our first call when any construction needs arise, and we highly recommend them to everyone we know.

Please feel free to contact me if I can be of further assistance.

Sincerely,

Michael Iaconelli
