Re: Houchin Construction, Inc.

Dear Mr. Lesansky,

I have had the pleasure to work with Houchin Construction on many projects in the past eight (8) years. I have found them to be very conscientious in completing their projects on time and within budget. They are attentive to details and making sure their projects are constructed according to plan as well as County/City code requirements.

I would recommend that they be considered for any construction project.

Respectfully,
