

# RAYMOND JAMES

October 25, 2010

To Whom it May Concern:

Please accept this letter of recommendation for Houchin Construction, Inc. Raymond James & Associates contracted with Houchin Construction for the build-out of three (Naples, Ft. Myers and Port Charlotte) of our SW Florida area office over the past three years.

Houchin Construction, Inc. came in at or under budget and on time in each of the projects we hired them to do. The work we asked them to do was detailed and extensive as we required three high-end commercial office build-outs each time starting from bare concrete floors.

Houchin Construction, Inc. employees were true professionals and very easy to work with. I would highly recommend Houchin Construction, Inc. to handle any and all commercial projects regardless of the size. They keep to their word and simply get the job done!

If you have any questions, please do not hesitate to call me to discuss this recommendation further or to arrange a visit to our offices to see their work.

Respectfully,

David T. Morgan, CFP®  
Sr. Vice President, Investments  
SW Florida Complex Manager
